CAMS is Live!
The Chemical Acquisition and Management System (CAMS) is Live! Please visit the EHS website for additional information and to access the required training.
If you have questions about CAMS functionality or product availability, please contact [Procurement Services](#).
If you order chemicals from suppliers other than Fisher, Sigma and VWR, please use non-catalog requisitions. We can include additional suppliers in CAMS, please reach out to us.
Need Training?
Expecting new faculty or staff members who will need to know the basics of procurement processes at CSU? Would your area benefit from a refresher on processes, or a general question and answer session? Please reach out to the Procurement Services team for help. We are happy to assist in education efforts across campus.

3. Live trainings will be coming...announced soon...and be available through TEAMS.
